5658 HV, Eindhoven, the Netherlands

I am a digital designer with strong creative skills especially in social media design, brand development, and web design. I can create high-quality productions with state of the art tools. Committed to client satisfaction, I pride myself on my ability to translate ideas into visually impactful designs that elevate brands and captivate audiences.

## Experience

**Flames Creative Studio, Eindhoven,**  
*Founder & Freelance Designer*

2023 - Present

Established and operated Flames Creative Studio, a sole proprietorship specializing in delivering high-quality freelance graphic and digital design services. **Clients:** Aşkinkaya Boutique, Saksı Kampüs, More than Ten & HeyMarketing's clients (Nihon Sport, Expivi, Floynk).

**ISKO International, Eindhoven,**  
*Freelance Digital Designer*

01.2023 - Present

At ISKO, Seven7original, and Artefit (ISKO's sub-brands), my responsibilities include designing both static and dynamic materials for campaigns, newsletters, banners, and social media. Furthermore, I am conducting UI/UX studies to enhance website experiences.

**Talent Chase, Istanbul,**  
*Freelance Graphic Designer*

01.2021 - Present

I create social media posts and motion animations for Talent Chase's LinkedIn page while also designing corporate identities including logo revisions, business cards, promotional materials, and more.

**University of Applied Sciences, Amsterdam,**  
*Digital Designer*

2021 - 2022

During my Masters in Digital Design, I engaged in UX, UI, and visual design projects for multiple clients, encompassing a knowledge-base platform for DEAC focused on electric aircraft, an interactive experience for AUAS, and a web-based search engine for OBA.

**Jobs Studio, Ankara,**  
*Graphic Designer*

09.2019 - 01.2021

As a graphic designer at Jobs Studio (an advertising agency), I handled a wide range of client projects, including social media posts, video animations, and branding for industries spanning hotels, healthcare, clothing brands, defense, schools, and catering companies.

**Jobs Studio, Ankara,**  
*Graphic & Motion Designer Intern*

06.2019 - 08.2019

As an intern at Jobs Studio (an advertising agency), I contributed to graphic and motion design projects, including social media posts, video production, editing, and client branding.

**Grafikir, Ankara,**  
*Graphic Designer Intern*

07.2018 - 08.2018

During my 1-month internship at Grafikir (an advertisement agency), I contributed to visual editing for advertisements of a furniture brand and also worked on invitation and content designs for an upcoming international food symposium.

## Education

**Master of Science (MSc)**  
*Digital Design*

2021 - 2022

University of Applied Sciences / Amsterdam, the Netherlands

**Bachelor of Arts (BA)**  
*Communication and Design*

2016 - 2020

Bilkent University / Ankara, Türkiye

## Languages

**English** - Advanced | **Turkish** - Native | **French** - Beginner
